Caramel Turtle

This Fall season cake design trends are highlighting the best of Classic & Modern themes: Traditional Elegance with Damask patterns OR Retro prints with Milk Paint colors.

Candy's scribbles:

When all is said and done, it's my loving husband, caring parents, supportive friends, and awesome customers that put a happy smile on my face.

Try our flavor of the month, Caramel Turtle. It's a vanilla cake filled with Amaretto mousse, covered with homemade caramel sauce with pecans, swirled with vanilla butter cream and sprinkled with chopped pecans & dark chocolate shavings.

Pam's scribbles:

Looking out God's windows I see beauty in everything. It makes me feel blessed and so happy to be alive.
